### *Details about the Ten Lakes for Families tour*

The starting point of this tour is the city of Mozart himself. Experience the beauty of this corner of the world on the day of your arrival. A tip with children is to visit the Haus der Natur or climb the Hohen Salzburg Fortress.

The stage to Holzöster, where several lakes with refreshing water await, is a combination of train and bike. You continue to the Trumer Lake District, where the path leads you through a nature reserve. Observe the unspoiled beauty of the flora and fauna along the lake shore. The final stage back to Salzburg takes you to the beautiful Wallersee. Take advantage of the opportunity to take a refreshing swim at the lakeside before the tour slowly comes to an end.
