Bolzano - Venice

FROM THE MOUNTAINS TO THE SEA.

Charming valleys and enchanting towns, mountain landscapes and, of course, the Grand Canal. All this awaits you on your cycle tour across South Tyrol to the Adriatic Sea. The motto of this route is "experience and enjoy". The path leads past dreamy vineyards and through picturesque cities. A glass of red wine, antipasti and the original Italian tiramisu provide the culinary enjoyment during well-deserved breaks.

The details of Bolzano to Venice

If you are a pleasure seeker and culture lover, you have reason to celebrate: on a cycling trip to the lagoon city, you will find everything your heart desires. The starting point of the tour is South Tyrol's capital, Bolzano. From there you cycle over rolling hills, through culturally rich cities and pass impressive landscapes. Short detours and pauses are planned in Trento, Riva on Lake Garda, Verona, Vicenza and Abano. You always have the goal in mind! After seven days, you will reach the majestic lagoon city of Venice. And that's not all: St Mark's Square, a gondola ride on the Grand Canal and the city's unique charm make for a grand finale to the journey.

Highlights of the cycle tour at a glance:

- Boat trip on Lake Garda: Enjoy the rolling waves and the pleasant sea breeze on board. From Riva you can kick pack and relax. You sail across Lake Garda to Desenzano or Sirmione, from where the next leg of the tour will take you to Verona.
- Casa di Giulietta: So much is clear: Romeo and Juliet are probably the best-known lovers in literature. In Verona you can experience the charming old town with its winding streets and be inspired by Shakespeare's play directly at the 'Casa di Giulietta'.
- Venice: If you had to describe the lagoon city in three words, they would be: beauty, charm, history. What awaits you in the floating city? St Mark's Basilica, the Rialto Bridge, the Doge's Palace and much more!

Useful information about the Italian tour

You are on the saddle for a total of eight days, heading towards Venice. The tour difficulty level is simple, and ideal for leisure cyclists. Between 45 and 70 kilometres are scheduled daily. The gentle hills and flat cycle paths mean you have time left to enjoy the dreamlike landscape.

Tour character

The terrain is flat to slightly hilly. The only strenuous stretch is through the Monti Berici hills. The first two stages are mainly cycle paths and to the south and east of Lake Garda mostly service and side roads. Due to a lack of cycle paths along some sections, cycling on roads with moderate traffic is unfortunately unavoidable. Nearly all roads are asphalted.
