## *Munich's Surrounding Lakes*

ON LAKE AMMER, LAKE STARNBERGER SEE AND LAKE KOCHELSEE.

Munich is in a class of its own: the liveliness of the big city paired with white-blue cosiness. Add to that great architecture, modern art and the varied gastronomy between quaint breweries and hip bars. But the perfect complement to the Bavarian capital is to be found in its south. Crystal-clear lakes, picturesque villages and vast mountain landscapes await your visit.

### *Details of the journey through the Munich Lake District*

Even the first stage to the Ammersee offers numerous highlights! Along the Royal Bavarian Cycle Path you will reach Andechs Monastery, which has been a popular place of pilgrimage for around 900 years. Once you arrive in Herrsching, a boat trip awaits you. 159 churches and monasteries characterise the beautiful region of the Pfaffenwinkel, which you cross the next day on your way to Lake Starnberg.

Once around Lake Starnberg and on to the Easter Lakes, Lake Riegsee and Lake Kochelsee on day 5. There is no lack of swimming opportunities on this tour - enjoy the sparkling blue lakes! Before you have another chance to explore Munich, the home of the "bull" from the German TV show 'Der Bulle von Tölz' awaits. Greetings in Bad Tölz!

### *Highlights of the 8-day cycling tour*

- **The boat trip on Lake Ammersee promises great views:** Tranquillity, idyll and nature on and around the lake and the magnificent panoramas will make you forget everything around you. Take a look to the south, where the Zugspitze towers majestically.
- **The Bavarian monastery of Andechs** is not only a monastery, but also an organic farm, an event venue, a brewery, an inn, a herb garden and much more - explore this special place!
- **The Lüftmalerei in Bad Tölz** is a special type of facade art from the 18th century, which can best be seen on the market square. Immerse yourself in the town's diverse traditions, be it the architecture, traditional clothing or simply the warmth of the people.

- **The English Garden in Munich** is a wonderful place to relax in the middle of the big city. Mingle with the spectators at the Eisbachwelle, where professional surfers show off their skills. Afterwards, you can stop off at the Chinese Tower and enjoy a beer in the garden.
