Lake Resia – Venice sporty

LIGHT-FOOTED PEDALLING DOWNHILL TO THE SOUTH.

This tour with Eurobike from the Reschensee to the world-famous lagoon city is a great active trip for fit cyclists. The stage destinations read like a "who's who" of Italian cities. In just one week you can discover Merano, Trento, Lake Garda, Verona, Padua and the breathtakingly beautiful Venice - our perfectly planned route makes this possible without any stress. In combination with the beautiful nature and the excellent Italian cuisine, this trip will stay in your memory for a long time!

Details of the 8-day cycle tour

The first attraction awaits shortly after you begin: The Reschensee with its sunken church tower. The stages to the spa and garden city of Merano and the next day to Trento are peppered with castles and ruins as well as unique nature. Also observe the plants as they change - the further south you cycle, apple orchards are replaced by peach and kiwi plantations. Everywhere, however, you will find grapevines (and excellent wines!).

On day 5, you will pass the historically significant town of Solferino on the way to Verona. In 1859, a particularly gruesome battle took place here, which resulted in the founding of the Red Cross. Our tour then leads via Verona and Padua to Venice, where the sea welcomes you for the "Grande finale".

Highlights of the cycle tour from Reschensee to Venice

- **The church tower in the Reschensee:** Around 160 houses once stood on the site, which was flooded in the 1950s to create a reservoir. Today, the church tower of St. Katharina rising out of the water is a reminder of the village.
- **Strolling through Laubengasse in Bolzano:** Soak up the hustle and bustle of Bolzano's most famous street. Why not order a cappuccino in one of the numerous cafés and really live the Italian "dolce vita".

- **Boat trip across Lake Garda:** One of the absolute highlights of the tour is the Lake Garda crossing by boat. Enjoy not only the fresh breeze and the beauty of the lake, but also the architecture on the shore.
- **The Piazza delle Erbe in Verona:** Nothing takes centre stage in Italian cities like the characteristic piazza. As the hub of life, you could certainly linger here for hours - Verona's oldest square offers countless opportunities for this.

Useful information about the tour through South Tyrol to the Adriatic Sea

The quite demanding stages are between 50 and 100 kilometres long, so you should be in good shape. As far as the route is concerned, you can look forward to very good conditions on the Adige Cycle Path. Don't forget to take advantage of the tour's included services, which are all about Italian enjoyment, from grappa tasting to a boat trip on Lake Garda.

The tour can also be combined with the Adige cycle path, as well as the "Venice to Florence" tour.

Tour character

You will ride on beautiful bike paths mainly along the Adige River. The route will lead you from Reschenpass (mountain pass) almost 1,500 metres in altitude downhill to Lake Garda. However, you will have to cycle up some small climbs too. Overall, you will find yourself on beautiful bike paths and asphalted country roads. Unfortunately, moderate traffic is unavoidable on some short connecting roads.
