Rotterdam - Dordrecht | approx. 40 km

Keep cycling alongside the waterfront via Krimpen aan den IJssel to Kinderdijk, where you will find the most famous group of windmills of the Netherlands. Dating back to the 18th century, the 19 well- preserved mills were added to the UNESCO World Heritage List. Continue through the polder area of the Albwasserwaard to reach Dordrecht. Dordrecht is considered to be Holland's oldest city. DAY

Dordrecht - Gorinchem | approx. 45 - 55 km

After a short ferry ride, you reach the beautiful De Biesbosch National Park, where several rivers come together to form a fresh-water delta of no less than 8.000 hectares. You may enjoy a wonderful boat trip, offered here everywhere, before continuing your tour through the Rhine- Delta area and crossing over to Gorinchem by water taxi. Do not miss out on the picturesque Old Town of this small but charming city.

DAY

Continue to the little town of Nieuwegein – perhaps take a short side trip to Fort Jutphaas, hidden in a green oasis in Nieuwegein -before reaching Utrecht.
