## *Lake Neusiedlersee - based in Podersdorf*

### HOME OF AUSTRIA'S WINE-GROWER KING.

South-east of Vienna the „City of Waltz“, where Puszta, reed and vineyards meet, the unique natural-reserve Neusiedlersee is home of Austria's Wine-Grower King. Soft hilly vineyards, the reeds around the lake and salt-ponds are characteristic for this countryside. Little villages with stork-nests on the roofs, rare bird species and animals, as e.g. the protected Mangaliza-swine and Przewalski-horses live here. Holiday in National Park Neusiedlersee – only recently protected by UNESCO – stands for: idyllic Puszta with unforgettable sun-sets, pannonic climate and about 300 sunny days per year. The well known paradise for surfers and sailors is ideal for cyclists with a network of cycle paths winding the way through varied flora and fauna. Tours can be planned individually.

# Itinerary

DAY  
1

## *Arrival in Podersdorf/Lake Neusiedlersee*

Move into your room and take over the rental bicycles and tour documentation.

---

DAY  
2

## *Lake Neusiedlersee cycle path* | approx. 50 km

Wines with a worldwide reputation grow on soft hills, offering a fantastic view on the lake. Rust is said to be the town of storks. A stone-bust of the Turk of Purbach commemorates the story of one very drunk Turkish warrior who missed the general flight of his regiment and got stuck in a chimney. Enjoy the mild afternoon sun during a boat passage across the Lake.

---

DAY  
3

## *Wine and Culture cycle path* | approx. 45 km

Wines from Burgenland have an international reputation. During your cycle tour of the gently undulating vineyards you enjoy a stunning view of the lake. Castle Halbturn is the most important baroque building of the country Burgenland. If you are very lucky you can even spot one of the colourful bee-eaters, birds breeding in sand-caves during summer.

---

DAY  
4

## *Lacken cycle path* | approx. 50 km

„Lacken“ are approx. 50 cm deep salty ponds. This local attraction of Seewinkel was name-giver to the region – and obviously to the cycle path. You cycle past swampy meadows, willow trees and vineyards. Peacefully grazing Mangalica swine and Przewalsky horses add to the unique experience.

---

DAY  
5*Rest day*

Enjoy a day of recuperation, relaxing and many facilities of the Lake. Sailing, windsurfing or swimming. Or explore the recreational facilities of your hotel.

---

DAY  
6*Sopron/Hungary*

approx. 70 km

Cross the lake by ferry. From festival town Mörbisch you reach the Hungarian city Sopron. The historic old town with lively streets and alleys and medieval buildings has a colourful life. By ferry back to the other lake side.

---

DAY  
7*Cherry Tree cycle path*

approx. 45 km

Again you change to the opposite bank by ferry and cycle past vineyards and cherry trees (especially lovely in spring when all the trees are in full flush). Stunning views of the lake and the Hungarian plain let you forget the short climbs.

---

DAY  
8*Departure or extension*

# *Tour character*

The cycle paths are either asphalted or of hard natural surface. The countryside is flat, only in Hungary you have to consider a few hills/climbs. You can sometimes expect contrary wind.
