Details about the Lake Constance Cycle Tour

You cycle from one place to the next on this cycle tour around the Dreiländersee. The best thing about it: the Lake Constance cycle tour has two routes up its sleeve. Which of the two you choose is entirely up to you. In the first variant, the towns of Radolfzell, Überlingen, Lingen and Arbon are on the programme. Variant B makes stops in Kressbronn, Nonnenhorn, Höchst and Rorschach. The only difference between the routes lies in the daily stages covered. Want a rest? The way back to Constance is easy with a boat trip. Wonderful!

Highlights of the cycle tour around Lake Constance

- Friedrichshafen: You cycle through the vineyards towards the famous town of Friedrichshafen. Cultural highlights such as the baroque Wallfahrtskirche Basilika in Birnau and the Zeppelin Museum should definitely be on your programme.
- Bregenz Festival: From Bavarian Lindau we head towards Austria. In Bregenz, the capital of Vorarlberg, the festival takes place annually on the world's largest floating stage. Enjoy the charm of the city and let yourself be pampered by traditional Austrian cuisine!

Interesting facts about circumnavigation of Lake Constance

Over eight days you cycle 235 kilometres around Lake Constance. The focus is on the natural experience and enjoyment in the regions around the Dreiländersee. Except for the first three hilly stages, the cycle route is rather flat. In other words: the cycle tour around the Swabian Sea is perfectly suitable for families. The kid's feed need a break? Relaxation is guaranteed on the boat trip on the last section.
