### *Details about the cycle tour 'Rhine & Vines with Charm'*

The tour starts in the dreamy wine town of Bad Dürkheim, home of the largest wine barrel in the world. Start your journey with a good glass of Riesling, which you will find in abundance here. After all, the Palatinate is the most important wine-growing region in Germany and is especially known for its fine Riesling. This fact follows you along the entire cycle tour. You cycle past the imperial cathedral Speyer, to the university town of Heidelberg and on to the imperial city of Worms, before arriving back in Bad Dürkheim after an enjoyable week.

Wild and romantic vineyards, dreamy landscapes, historical cultural sites and excellent wine await you wherever you go. Cycle with pleasure from stage to stage and enjoy the exotic flair of the Palatinate to the full. The best thing about this tour? Arriving at one of our carefully selected Charm-Hotels! Let yourself be pampered!

### *Highlights of the cycle tour at a glance*

- Heidelberg: In the middle of the Rhine-Neckar metropolitan region lies the so-called 'City of Science', which is not only known for its universities, but also because of its enchanting cityscape.
- Kaiserdom Speyer: This cycle tour is something special, because it is the only tour that includes an overnight stay in the beautiful city of Speyer with its breathtaking Kaiserdom.
