Cycle holiday highlights ,Around Lake Garda' at a glance:

- **Peschiera fortress complex:** Already on the second day our cycle tour takes you to a historical highlight, the fortress of Peschiera. It used to be a stone gatehouse in the city wall, today it is a fascinating gateway to the old town. The star-shaped fortress, completely surrounded by water, impresses with its old and romantic charm.
- **Sarcatal:** One of the largest rivers in the Trentino is the river Sarca. The Sarca valley of the same name runs north of Lake Garda to the Adamello-Brenta nature park. Our tour also offers you unique views of the valley.

- **The Alpine Lakes:** Two other lakes almost steal the show from Lake Garda on this tour, we are talking about Lake Ledro and Lake Idro. Those two alpine lakes feature excellent water quality and are located in the picturesque mountain panorama.

Things to know about the cycling holiday on Lake Garda

After your arrival in Desenzano/Sirmione, you cycle in just seven days around Lake Garda. However, since there is unfortunately no cycle path that runs directly along the shore, this route often deviates inland. But that is not a disadvantage at all, since it gives you a great insight into the regions that surround Lake Garda.
