## *Copenhagen - based in one hotel*

### TO THE MOST BEAUTIFUL PLACES IN ZEALAND

You think modern architecture is great, you love the salty sea air and when it comes to food, you're a fan of innovative ideas and open to everything? Then listen up, because we think this tour would be perfect for you! The Scandinavian port city of Copenhagen, which combines modernity and history, has everything you could wish for on a cycle tour!

### *Details about the Copenhagen tour*

The interesting short tour based in Copenhagen attracts Eurobike guests from all over Europe. Over five days you will explore the area around the Danish capital and learn all about Danish culture and cuisine. Travelling by bike allows you to learn a lot more about Danish life, to let the local landscape work its magic and to collect even more memories.

### *Highlights of the cycle tour around Copenhagen at a glance:*

- Nyhavn: You should definitely visit the colourful waterfront in Copenhagen. Take a seat in one of the pretty harbour bars and watch the goings-on with a glass of wine.
- Smørrebrød: Try what is probably Denmark's most famous lunch! Whether with fish, sausage or pate – you should try it!
- The Little Mermaid: Don't miss out taking a photo of the symbol of Copenhagen. The Little Mermaid sits on a rock on the promenade and looks longingly into the distance. The idea for the bronze statue was the fairytale of the same name, which comes from the pen of the Danish writer Hans Christian Andersen.

### *Useful information about the rally in Copenhagen*

After breakfast you will have a transfer by bus to Roskilde. The Cathedral of Roskilde welcomes you from afar. Since the beginning of the 15th century the cathedral has been the favourite grave church of the Danish Royal Family and since 1995 UNESCO World Heritage. The major part of this cycle stage will lead along the so-called Køge bay, with outstanding views to the Baltic Sea. The national park Mølleådal is absolutely free of traffic and its scenic landscape will impress you. For those who are interested in art we recommend to visit Arken Museum of Modern Art. Køge belongs to one of the oldest cities of Denmark and is located directly on the coast. The white sand beaches invite for a jump into the cool water for a refresh, before you start your return journey comfortably by train.
