---

DAY

## *Lofer - Salzburg* | approx. 50 km

Today you cycle through the Saalach valley. Bad Reichenhall, located in the "small German corner", enchants you with its Bavarian flair. After a little while after Bad Reichenhall you will arrive in Salzburg, the city of Mozart. Salzburg's cultural offer will embrace you. You should plan enough extra time for a walk through the city and a visit to Mozart's birth house.

---

DAY  
5*Salzburg - Burghausen* | approx. 60 km

Today you leave Salzburg and its Alps behind and cycle through the Alpine foothills. The Tauern bike path ends in Tittmoning and from here you have to follow the nature trail along the Lower Inn before you reach today's destination, Burghausen. Make sure to visit its magnificent historic center and the largest castle complex of Central Europe. Both are outstanding!

---

DAY  
6*Burghausen - Obernberg am Inn/Bad Füssing*

| approx. 50 km

The route leads you along the river Inn up to Braunau. This gothic town is a perfect place for a lunch break. On your way you see numerous bird colonies. You can then continue on either the Bavarian or Austrian side - the choice is yours! Today's destination Obernberg has a well-known market square with many baroque buildings.

---

DAY  
7*Obernberg am Inn/Bad Füssing - Passau* | approx. 40 km

Soon you reach the abbey "Stift Reichersberg", which is worth a visit. On your route alongside the river Inn you cycle through small towns like Schärding where you can take a break at the baroque market square. Not much further after Schärding and you will have reached the final destination of this beautiful bike trip: Passau. The city of the three rivers has a lot to offer, for example the world's largest cathedral organ. A river cruise would certainly be the best way to finish this wonderful bike ride.

# *Tour character*

The Tauern bike path is well signposted all the way along. The route leads through quiet and paved paths and country roads. Sometimes you will have to cycle on busier sections. There are a few short sections where you have to cycle on unpaved paths. The quality of the trail can be described as very good for the vast majority of it. There are hardly any uphill sections in this version of the tour and therefore it is also suitable for families with children.
